

## Level of Consciousness Assessment

### LEVEL OF CONSCIOUSNESS ASSESSMENT

Rate the best response in each category. Tally for a total score.

#### Motor Response (M)

- ☐ 4 - Spontaneous: Obeys commands for movement    ☐ 3 - To Verbal Command: Performs movements upon request  
☐ 2 - To Pain: Withdraws in response to pain    ☐ 1 - No Response: No motor response or extension to pain

#### Verbal Response (V)

- ☐ 4 - Spontaneous: Oriented, engages in conversation  
☐ 3 - To Verbal Command: Confused conversation, but able to answer questions  
☐ 2 - To Pain: Inappropriate words, moans or screams, no conversational exchange    ☐ 1 - No Response: No verbal response

#### Facial Expression

- ☐ 4 - Spontaneous: Normal, appropriate to the situation    ☐ 3 - To Verbal Command: Marked relaxation, possible slack jaw  
☐ 2 - To Pain: Minimal or no facial expression may have a grimace on stimuli  
☐ 1 - No Response: No facial expression, may have reflexive grimace to pain

#### Eye Opening (E)

- ☐ 4 - Spontaneous: Opens eyes spontaneously    ☐ 3 - To Verbal Command: Opens eyes to speech  
☐ 2 - To Pain: Opens eyes in response to pain    ☐ 1 - No Response: No eye opening
