Please read our Terms of Payment: (Please note Health insurance can only be used for services that we have confirmed we are contracted to process on your behalf- please ask if you are unsure.) For Self-Payers, we request that payment is made on the day at the conclusion of your consultation at reception.

For those with Insurance Cover, please be advised that we require a Membership number and a Pre-authorisation Code in order for us to invoice your Insurance Company directly. Without these, we request that payment is made on the day, and we will supply you with a receipt for you to claim back from your insurance.

Should any cover be declined OR details rejected, this is your responsibility to settle with us. By signing below, you are stating your understanding and agreement to our Payment Terms and Conditions.
